Arrhythmias and Cardiac Pacing

Friday [20.4.2018] – Program for Residents

Chairmans: A. Lisičić – I. Premužić-Meštrović – P. Pekić

- 11.00 – 11.30 Š. Manola | V. Radeljić, KBC Sestre milosrdnice Zagreb
Interactive ECG interpretation of tachycardias – interactive quiz (narrow – wide)
- 11.30 – 12.00 A. Anić | Z. Bakotić, OB Zadar, Zadar
12 lead ECG in acute coronary syndrome – myths, facts, tips and tricks
- 12.00 – 12.30 R. Matasić | M. Puljević, KBC Zagreb, Zagreb
Who needs a pacemaker – ECG and Holter ECG – interactive quiz
- 12.00 – 13.00 N. Pavlović | S. Brusich, KBC Sestre milosrdnice Zagreb, KBC Rijeka
What should I do with a patient with PVCs

Chairmen: R. Bernat | A. Anić | Š. Manola

- 14.00 – 14.20 Treatment of AFib: is there anything beyond the ablation?
H. Crijins (Maastricht, NDL)
- 14.20 – 14.50 Controversy in ablation therapy:
Patient with asymptomatic AF: early intervention vs watchful waiting for symptoms.
Pro: O. Wazni (Cleveland, USA)
Contra: W. Saliba (Cleveland, USA)
- 14.50 – 15.10 AFib ablation – when, in whome and how – Can we do any better?
D. Scherr (Graz, AUS)
- 15.10 – 15.30 Management of anticoagulation for EP procedures.
T. Tahin (Budapest, HUN)
- 15.30 – 16.00 LAA occlusion for all patients with thromboembolic risk
Pro: B. Schmidt (Frankfurt, GER)
Contra: M. Kuhne (Basel, CH)

16.00 – 16.30 Coffee break

Chairmen: R. Matasić | N. Pavlović | M. H. Zeljko

- 16.30 – 16.55 A systematic approach to CRT non responders – improving benefit.
H. Burri (Geneva, CH)
- 16.55 – 17.20 Implantable cardioverter defibrillator use for primary prevention in ischaemic or non-ischaemic heart disease—indications in the post-DANISH trial era.
R. Tilz (Lubeck, GER)
- 17.20 – 17.45 Systematic approach for VT ablation in patients with structural heart disease.
A. Berruezo (Barcelona ESP)
- 17.45 – 18.00 Welcome adress
Š. Manola | D. Miličić
- 18.00 – 18.30 „EP in 2018: where we are and where we are heading to“?
H. Heidbuchel (Antwerpen, BEL)

20.30 Dinner

Chairmen: D. Puljević | V. Radeljić | S. Brusich

- 09.00 – 09.20 Top five messages from AFib guidelines.
A. Anić
- 09.20 – 09.40 Atrial high-rate episodes – common nuisance or an emerging treatment goal?
R. Bernat
- 09.40 – 10.00 Top five messages from the VT ablation trials.
N. Pavlović
- 10.00 – 10.20 Top five messages from the device trials.
M. Lovrić-Benčić

10.30 – 11.00 Coffee break

Chairmen: D. Miličić | D. Richter | J. Ferri-Certić

- 11.00 – 11.30 EP - Is it worth the money? Cost effectiveness in EP.
Manola | Zeljko
- 11.30 – 13.00 NOACs on trial

13.00 – 14.00 Lunch

Chairmen: Z. Čubranić | Makarović | K. Milas

- 14.00 – 14.15 Koronarni sinus kao alternativa epikardnom ablacijskom pristupu
Z. Bakotić (OB Zadar, Zadar, HR)
- 14.15 – 14.30 Ekstrakcije elektrostimulacijskih sustava: indikacije, priprema i zahvat.
S. Brusich (KBC Rijeka, Rijeka, HR)
- 14.30 – 14.45 Upotrebna rotacijske angiografije za prijedproceduralno oslikavanje srca u ablaciji fibrilacije atrijske.
V. Velagić (KBC Zagreb, Zagreb, HR)
- 14.45 – 15.00 Ehokardiografija u aritmologiji – što zanima elektrofiziologa?
N. Bulj (KBC Sestre milosrdnice, Zagreb, HR)
- 15.00 – 15.15 Ima li regionalnih razlika u ishodištu idiopatskih ventrikulskih ekstrasistola.
T. Brešković, KBC Split, Split, HR

- 15.15 – 15.30 ILR – naša iskustva.
D. Počanić (KB Merkur, Zagreb, HR)
- 15.30 – 15.45 Primary Prophylactic ICD indications - Times They are a-changin'?
J. Szavitz Nossan (KB Magdalena, Krapinske Toplice, HR)

15.45 – 16.00 Coffee break

Chairmen: B. Pezo-Nikolić | C. Sticherling | R. Tiltz

My biggest disaster in EP Lab

- 16.00 – 16.15 Nightmare case during the cryoballoon ablation.
C. Sticherling (Basel, CH)
- 16.15 – 16.30 Nightmares in VT ablation – management of severe complications.
R. Tiltz (Lübeck, GER)
- 16.30 – 16.45 Nightmare case during PVC ablation.
L. Geller (Budapest, HUN)
- 16.45 – 17.00 Air embolism during cryoablation of atrial fibrillation.
D. Vukajlović (Belgrade, SRB)
- 17.00 – 17.15 The worst nightmare following RF pulmonary veins isolation.
V. Traykov (Sofia, BUL)
- 17.15 – 17.30 Late pericardial tamponade following LA roof laceration after balloon cryo and RF touch up ablations for Afib.
A. Pernat (Ljubljana, SLO)

20.00 Faculty dinner

Sunday [22.4.2018]

09.00 – 12.00 Round table
