

**FEBRUARY 23 - 24, 2018**

HOTEL CROWNE PLAZA - BRUGES - BELGIUM

# International Electrophysiology Workshop

“Interpretation of Intracardiac Electrograms in the EP Lab”.

Programme, Registration & Grant Application: [www.epw-bruges.be](http://www.epw-bruges.be)

**Organising Committee**  
**Department of Cardiology - AZ Sint-Jan Brugge**

Prof Mattias Duytschaever  
Prof René Tavernier  
Prof Sébastien Knecht  
Dr Yves Vandekerckhove

**International Electrophysiology Workshop**

Friday 23 and Saturday 24 February 2018  
Hotel Crowne Plaza, Bruges, Belgium

The goal of the workshop is to discuss in-depth interpretation of intracardiac electrograms in supraventricular tachycardia, atrial fibrillation and ventricular tachycardia, independent of every three-dimensional mapping system. This interactive workshop with an international panel of EP experts is intended for the electrophysiologist and the electrophysiologist in training.

Registration and Grant application: [www.epw-bruges.be](http://www.epw-bruges.be)
